

Dr. Kelvin Tsun Wai Ng is Professor of Environmental Systems Engineering at University of Regina, Canada. Kelvin's major fields of interest are in waste management and environmental sustainability, particularly in development of (i) sustainable waste management system, (ii) evidence-based waste policy, and (iii) data-driven waste collection and disposal methods. His projects have been funded by a number of provincial and federal agencies, including NSERC, Mitacs, Communities of Tomorrow, Innovation Saskatchewan, Ministry of Environment, and City of Regina, etc.

Kelvin is a Professional Engineer with Permission to Consult in Saskatchewan, Canada. He is also the instructor for a number of popular courses at the Faculty of Engineering, and has received the 2017 President's Award for Teaching Excellence. Kelvin has served as the CSCE Environmental Division Chair since 2018.
