

Dr. Michel Khouday, P.Eng., M.Eng., PMP, C.Adm., ASC, M.B.A., Ph.D., is a recognized expert in the field of Construction, Engineering, Management and Infrastructure. He has fulfilled important administrative and technical functions in major projects in the field of construction and engineering, particularly in project management, supervision, coordination, construction, evaluation and repair. Mr. Khouday has enviable experience in infrastructure projects. He has to his credit more than thirty multi-million dollar projects and projects over \$ 1 billion. He has been responsible in his career for the technical direction of several PPP submissions. He has extensive experience as an executive officer responsible for many very varied and complex mandates. As a specialist in his field, he maintains a high level of competence, a rich experience and ensures the success of the mandates entrusted to him.

Recognized for his organizational skills, his project cost management and his excellent ability to develop his staff, Mr. Khouday performs sound project management to achieve objectives, budgets and deadlines. A graduate of Harvard and MIT, holder of 2 master's degrees (a master's degree in civil engineering and an MBA), a doctorate Ph.D., a PMP and C.Dir. certification and the reserved professional title of the Ordre des administrateurs agréés du Québec, Mr. Khouday has the skills, expertise and qualifications to ensure significant business development with existing clients while attracting new clients. Mr. Khouday also has a very large network of contacts in the industry (clients and business partners) that can benefit any organization. In addition to his professional activities, Mr. Khouday has also held the following provincial and national positions: President for the Canadian Society for Civil Engineering, President of the Executive Office for the MBA of Quebec, Senior Vice-President of Canada and Regional Chairman for CSCE, Vice-President of the Province of Quebec for the CSCE and Vice-President Business Development for AMBAQ. Mr. Khouday is bilingual (French and English) both written and spoken.
